## Palo Pinto Cattle Co. Simmental Sale June 10, Ft. Worth

Fort Worth - R. H. "Dick" and Carol Carey, owners of Palo Pinto Cattle Co., Mineral Wells, and guest consignor Dale West's M&W Simmentals, Miners Wells, will host a "Cattlemen's Choice" Simmental production sale in Barn No. 3 at the Fort Worth Stock show grounds here June 10.

Highlighting the offering of 80 lots will be twin purebred heifer calves out of Boni, a cow with calf at side for which \$79,000 was paid in the 1973 Pan American Simmental Sale at Dallas. These outstanding twin heifers are by Extra Beat; several bred fullblood females, three-quarter pairs, and open three-quarter females; cows with Brahman calves at side, and 10 of the very best halfblood cows out of a herd of 200 head, all with exceptionally high performance indexes.

The offering features a amongst its reference sires some of the most popular bulls of the breed such as Bismark, Signal, Beat, Abricot, Extra and other top

sires. Carey said that he recently weighed the mature females in his herd and the weights ranged from 1200 to 1400 pounds per animal.

Carey, a pioneer Simmental breeder and member of a family who have been in the Simmental and commercial cattle business in Palo Pinto and nearby counties all of his life, said his sale offering includes only one bull, a pureblood, because he has been so successful in selling his other breeding-age percentage and purebred bulls this year. "I sold 50 bulls in one month's time at private treaty on a classified ad in the Weekly Livestock Reporter," he added.

"The Simmental breed has advanced to the stage now where there are enough American purebreds and fullbloods available to provide buyers the opportunity to select for quality at reasonable prices, and buy females which can reasonably be expected to return their cost and upkeep in a couple of years... and with that in mind I'm putting only cattle in the sale that I'd buy if they were in someone else's sale," he said.

"With all percentage and purebloods, polled, horned and even some Brahman cattle, I believe there will be something that will work well in any kind of a breeding program, even a commercial operation," he added.

Dick and Carol will host a pre-sale hospitality luncheon at 7:30 p.m., Friday, June 9, at the sale headquarters, the Hilltop Inn in Fort Worth, phone 817/885-7000. Lunch will be served at the sale site at noon and the sale will begin at 1 p.m., June 10, with Joe Mitchell, Hubbard, as the auctioneer.

Further information is available from Palo Pinto Cattle Co., R. H. and Carol Carey, Box 1187, Mineral Wells, Texas 76067, phone 817/325-8732, or 817/658-3822.

# Congressional Committee Blasts "Yellow Sheet" Says Prices Fabricated

(CONT. FROM PAGE 1)

men of the House Small Business Committee, said, "the results of the investigation are appalling, with widespread significance for the entire meat industry. We are now about as far from auction block and free market system of transaction in this industry as we can get."

"Chino mares have such a large share

of the retail meat market that apparently they can set the terms for buying that govern the entire industry. A significant proportion of meat based only upon "Yellow Sheet" prices. All concerned in the multi-billion dollar meat industry are now faced with the fact that prices are being determined noncompetitively, virtually in the upstairs rooms of a Chicago trade publication building, rather than in an open, competitive process."

"The Yellow Sheet", published by the National Provisioner in Chicago, is used by as much as 90 percent of the

meat industry for formula pricing. Under this system, meat is sold for future delivery based on prices quoted by the "Yellow Sheet."

A staff investigation into operation of "The Yellow Sheet" showed:

\* prices reported when there were no sales;

\* prices reported based on a very small percent of the actual sales volume;

\* no prices reported when there were sales.

The investigation was completed following the receipt of "Yellow Sheet" records and working papers which were subpoenaed from the service.

Additional witnesses from the New England Wholesale Meat Dealers Association and the Greater New York Association of Meat and Poultry Dealers, Inc., representing about 20 percent of the entire industry, confirmed that all of their members use the "Yellow Sheet" exclusively as a basis for prices.

David L. Scott, Executive Director of the New England Wholesale Meat Dealers Association, said, "Through the years, certain evidence has indicated that some prices quoted through... the Yellow Sheet... are either manipulated or controlled by groups of packers or individual packers with sufficient purchasing power to create the illusion of a stabilized market when prices are falling; or a weak market when prices are rising."

The result of this, Scott said, is that those using the Yellow Sheet, virtually the entire industry, are being misled; thus creating directly and indirectly, inflationary pressures.

Rep. Smith said further, "There is no question in my mind that this type of price reporting system leaves ample room for manipulation. Additionally, I feel that the system is a factor contributing to the wide spread between prices received by producers and those paid by consumers."

Rep. Smith said there will be additional hearings next month on the inadequacy of a pricing system in the meat industry.

# Court Ruling Is Citizens' Victory On Invasion of Privacy

(CONT. FROM PAGE 1)

Allen Grant, president of the American Farm Bureau Federation, said that Farm Bureau has been most anxious to invoke the traditional constitutional protection against unreasonable searches. "The Court's ruling does just that. We are very gratified."

Since 1971, OSHA has carried out some 400,000 so-called spot checks of farms, factories, and other businesses. Farm Bureau joined with several organizations in support of a test case against the OSHA practice.

The Farm Bureau president said, "It is vital that a man's place of business remain essentially free from government interference. This ruling should, once and for all, put an end to time and money consuming nuisance visits by legions of OSHA inspectors and may serve as a warning to other regulatory agencies."

The American Farm Bureau Federation participated in the appeal as a "Friend of the Court," in support of Barlow's Incorporated, a plumbing, heating, and electrical subcontracting business in Peacott, Idaho. Barlow's Inc. and AFBF contended that Section 8(a) of OSHA's regulations dealing with inspections violated the 4th Amendment of the Constitution which protects against arbitrary government intrusion.

# TEXAS HEREFORD NEWS

## Capital Area Hereford Field Day, Program Set June 2 & 3

A large showhouse for the display of Hereford Cattle is being planned for the first weekend of June, 1978, in the heart of Texas. Opening the festivities will be the Great Hill Country's Hereford Tour on Friday, June 2. This tour will begin at 8:30 a.m. at Harold Henko's Ranch, Fredericksburg; this stop will be followed by visits to J. D. Jordan's Ranch, Mason; Jack Ebeling's Lazy E Ranch, Round Mountain; and then to Granite Hills Hereford Ranch between Burnet and Llano. This leaves all of those participating in this interesting event in the close proximity so that they might visit the Capital Area Hereford Association's Field Day the following day.

On Saturday, June 3, the Capital Area Hereford Association is having its second annual field day at the AOK Hereford Ranch in Lometa. An excellent program has been arranged. Beginning at 9 o'clock sharp the cattle judging will start with each person participating. This will be followed by a display of Hereford cattle by a large number of Hereford breeders in the Central Texas Area. Lunch will then be served. It is worth the trip just for the meal, as the barbecue is delicious.

The afternoon program consists of four outstanding speakers. Gay Ludwig, American Hereford Ass'n. Headquarters, Kansas City, will speak on the Herd Size Evaluation Program recently instigated by the A.H.A. Dr. Tony Soriano, Texas A & M University, will speak on development, replacement, and selection. Dr. Bob Conner, Calgary, Alberta, Canada, will speak on merchandising. Gene Wolan, associate of Wells and Sons, Manning, Iowa, former President of American Hereford Ass'n., will project the cattle industry into the future.

The Capital Area Hereford Association is very proud of this program that has been arranged and would be most honored if you would join in the sharing of it. Please, plan now to attend our field day.

There is about a billion acres of non-cropland in the United States.

A son of Sam Donald, Sam Donald 2704, sold for \$10,000 to Box Lake Ranch, Quemado, N.M.; and three-fourths interest in Sam Donald 1909 sold for \$9900 to Lasford Hereford of Texaco, N.M. A. C. Hilley, Mineral Wells, bought another Sam Donald son for \$8,800. The top selling female was a daughter of Sam Donald with a bull calf at side that went to W. Perry Bolla of McKinney, Texas, for \$10,800. L. C. Whitehead, owner, and Kenneth Loe, manager, of Rocking Chair Ranch at Ft. McKavett, Texas, bought some of the other top pairs for prices of \$5200, \$4000, and \$3500. Don Deane of Grady, Okla., bought the top selling heifer for \$2750 and \$2700 each end was one of the top

reserves 655 at \$84.40. Carl Jeske, Fridley, consigned the 40 head of champion Hereford heifers, bottom left, that weighed 481 and sold for \$69.40. Woodrow Hallmark, Dublin, sent in the 20 reserve champion heifers, bottom right, that weighed 477 and sold for \$67.50. Second special sale in this series will be June 28.

The 75 1/4 bulls averaged \$1888. The standing-room-only crowd included people from about 20 states dispersing to 115 different buyers.

A representative cross-section of buyers includes the above plus Cattle Co., Paso, Wash.; Circle H Farms, Cleveland, Miss.; Stillhouse Holzer Farm, Hume, Va.; Messner Farm, Caney, Kan.; Atotolico Cattle Co., Teahalla, Durango, Mexico; Billie O. ## Schmidt Hereford Sale Is Reported

Schmidt Hereford Ranch of Mason, Texas, owned and operated by Kelly and Minnie Schmidt and family, saw an active market on proven registered Hereford cows with top performance records behind them in their Cow Herd Dispersal on Saturday, May 27, of all cows over 3 years of age. The top lot averaged \$498.50 with a gross sale of \$88,555 on the 86 lots sold. Auctioneer Bert Reyes saw demand very limited in the immediate area due to extreme dry conditions over the last few months.

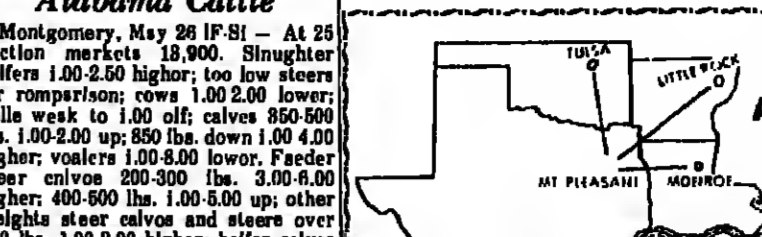

Top price of the day was \$985 from Barney Hulet of Fredericksburg for the lot 20 cow with an outstanding heifer calf at side by featured service sire JW Sam Donald 1548. The volume cow buyer of the day was Tom H. Wright of Davidson, Oklahoma who took 18 lots for a total of \$8,078.

Other major buyers included 11 lots going to Buck Hughes of Commerce, Texas for \$4,695; Ralph Ebeling and Son of Round Mountain purchased 9 lots for \$8,860; Willie Ranch of Odessa took 9 cows for \$3,800 and Carle Schilling, 8 cows to Beeville for \$2,708. Other buyers were from San Antonio, Comanche, Millsap, Fredericksburg, Wilcox City, Llano, Art, Voca and Mason, Texas.

## Neches River Sets Brahman Production Sale For June 9

Jacksonville, Texas — The First Neches River Ranch Gray Brahman Production Sale will be held Friday, June 9, 1978. Sale time is 1:00 p.m. at the ranch at Jacksonville, Texas.

Selling will be 100 Gray Brahman Females, all bred or with calves at side, including many three-in-one packages. These females are bred to JDH Hemultz Manso 216/1, the top Neches River herd sire, or to Mr. Neches 40, a grandson of the great "229".

Also selling will be 25 herd bull prospects or top commercial bulls. The offering represents the results of many years of selection of top Brahman females and herd bulls to produce the best possible type of Brahman herd.

For information contact Neches River Ranch, Box 1108, Jacksonville, Texas 76018, Gerald Meyerdrick, Manager, 214/683-5675 home, or 214/686-2961 unit 2625 mobile; or

## Stuph & Thangs (CONT. FROM PAGE 1)

entreprened an astounding number of Texas voters. You all recall in the last general election Texas voters not completely unqualified candidates on the State Supreme Court when they were tripped up by the Name Game. Yarbrough and Yarbrough have been respected names in Texas politics for a long, long time as we have had Sen. Ralph Yarbrough and highly respected Don Yarbrough a one-time governor candidate, as well as many other good Texans named Yarbrough or Yarbrough in public service. So, when a Houston lawyer named Don Yarbrough sought the Court seat he benefited from name identification and has since been unelected and convicted or purjury.

Once again the voters have made a big mistake. In our opinion, since they put Jerry Sedler in a runoff for the Railroad Commission again John Poerner, the sole management, Watson Celia Service, Rt. 1, Box 61, Davine, Texas 76018, John Watson 512/682-2740, or Dean Blackwell 214/684-6694.

Poerner is now on this extremely important body and according to everyone who knows has been doing an outstanding job because he is knowledgeable about all the things that regulate the body that controls this most vital business in Texas. However, Sedler is a familiar name to most Texans and they in most cases may not recall the trouble Jerry Sedler caused as State Land Commissioner. These activities ranged from physically attacking a newsmag, trying to choke him, a suitcase treasure trove as well as keeping the land office in turmoil and failure to cooperate with the Legislature in such rank fashion that they took the most unusual step of passing a resolution of Censure. He has been a news photographer in the face with his own camera, was sued by IRS for \$125,000 to unpaid taxes and eventually paid \$6,700 and was declared bankrupt in 1972 to the tune of \$500,000.

We feel sure that John Poerner himself will be among the first to admit that in a name recognition game with almost anybody, he is a sure loser. However, should Texas voters again fall prey to the Name Game in the runoff for the Railroad Commission it would be no per with the horrible mistake they made in the Supreme Court contest. As we pointed out, we don't believe

in endorsing political candidates, so please forgive us as we dis-endorse Jerry Sedler and we hope you all will study his track record before you vote next time.

Ever thine,  
The Editor.

P.S.: Uncle Dunk notes that the Carter Administration pulled out all the stops in testimony again the proposed Meat Import Law change. USDA, Miss Peterson, Carter's consumer adviser, people from Bob Streuss Special Trade Office and even the Wage & Price Council blasted the proposal. Reason: Carter wants to hold the power of life or death of the beef business in his fist by being able to open the door for a flood of foreign meat. Dunk says one of the things needed is a strong push to force Japan to open its door to U.S. beef imports. At the recent Osaka International Trade Fair the U.S. Meat Export Federation had to have police help to control mobs of Japanese wanting to buy some of their beef. Prices of \$6.81 and \$7.87 for chuck rolls and tenderloins, respectively, sound high. But the Japanese beef equivalent costs \$15.75 to \$24.65 per lb. Maybe we ought to impose some quotas on Japanese autos, steel and electronics.

## Don Nelson Is New Charolais Executive (CONT. FROM PAGE 1)

operations officer, for a large integrated cattle and land company in California. He will assume his new duties about June 15.

He succeeded Steven Slumetland who has served as the acting association administrator for the past several months, following the resignation last fall of Dr. J. W. Gossett.

In announcing the appointment, Wasson said Nelson brings a strong combination of management, technical and academic experience to his new job. Nelson had served as general manager of agricultural operations for Bixby Ranch Co., a Los Angeles-based diversified family corporation. He supervised a 2,000-head cow-calf operation; a 5,000-head stocker operation; a 6,500-head backgrounding and feed enterprise while supervising about 25,000 acres of rangeland.

## ROOF COATINGS

Old roofs of composition shingles & old cedar shingles can be extended many years. Anyone can apply by brush. M.A. BLACK is a mineral asphalt that dries in 30 minutes. Being thin, it penetrates the cracks and can, by itself, stop most leaks. Not a tar. T.M. WHITE is a white coating developed especially in to brushed over the old roof. Either may be used without the other. Best recommendation is that the M.A. BLACK be applied and then two coats of T.M. WHITE. This very permanent roof pair, at a cost of less than a new roof. The white surface contributes much to cooling in summer. This in our 28th yr. Write for our catalog. We ship same day order is received.

## For Sale - 100 Top Commercial Cows Bred to Fullblood Simmental Bulls To Calve in the Fall.

These cows have produced this year the second and third place pens of 20 head, and third place pen of 10 head of steer calves in the first special "Top Dollar" feeder calf show and sale at Fort Worth Stockyards on May 25. These calves brought an average of \$316.10 per head. This was the bottom-end of our steer calf crop, raised on no creep feed, with the top end having been sold as show steer prospects at more than \$500 per head. The heifer mates to these steers have been sold as replacement females.

THE CALVES OUT OF THESE COWS WILL BE REGISTERABLE AS  
HALFBLOODS IN THE AMERICAN SIMMENTAL ASSOCIATION.
